AND THE OFFICERS ARE ??

Here we are again at the start of a new year. We had a good turn out for the December meeting, with a great pot luck. The elections went fast, a motion was moved and seconded that the officers from the previous year continue in their current positions this year. The next years camp out dates were discussed and set. Finishing the meeting with the raffle for the rifle. Pat Argall was the lucky winner.

Lets have another fun year.

KRYER'Z KORN

DO's

Read and understand your instruction manual. If you didn't get one with your muzzleloader, order one from the manufacturer. They will send you one for free. Many companies now have a web site and online manuals are common.

Wear shatterproof shooting glasses and ear protection, as both percussion and flintlock guns may shower sparks and bits of caps/flints when fired.

Treat a misfire or failure to fire as though the gun can fire at any second. Wait at least a minute with gun pointed at the target.

Be sure all spectators are completely behind you when firing. Flames and bits of caps/flint sometimes exit from the side of the gun. It is good shooting etiquette to warn other shooters that you are about to fire a flint lock next to them.

DO NOT

Never fire a muzzleloader unless the ball is firmly seated against the powder charge. Firing a muzzleloader with the ball off the powder or part way up the barrel may cause serious damage to the firearm and possibly serious injury to the shooter.

Do not exceed manufacturer's recommended maximum powder charge.

Never use FFFFg black powder for a charge in any muzzleloader at any time. The only safe use for fine priming powder is for the priming of a pan on a flint lock.

Fine powders will cause excessive pressures and could very well burst your barrel.

Never lean over (or stand in front of) the muzzle at any time.

Never attempt to shoot out a projectile which is not firmly seated against the powder charge.

CLUB EVENT SPRING 2008

February Club Shoot and Winter Camp-Out at our range

Second Saturday
of Each Month Club
Shoot (winter start time is
10:00 a.m.)
