Secretaries Ramblins

This is the first newsletter of the New Year and my first ever attempt at a newsletter.

We had a great Christmas party/potluck at Loretta's house in December. We had delicious choices of ham and venison; salads; various desserts; cocktails and wine. Loretta's house was warm and welcoming, as always, and the company was just fine. Thanks goes out to Loretta for having us all to her house for this party. After dinner we had a club meeting where the officers of the club were elected for 2014 resulting in Kyrer as President; Tony Bennett as Vice President; Pat Argall as Treasurer; Wes Wiens as Secretary and John Considine as Historian. Congratulations to all. Oh yeah Matt you're still the web master.

Check out our web site at eaglevalleymuzzleloaders.org.

Our December shoot went off great... We had, I think, our first ever perfect score on the rifle course. WOW, COWABUNGA! Rarely has anyone ever witnessed this kind of incredible marksmanship. Just AWESOME! As a matter of fact it still hasn't been witnessed, as yours truly was the only one there! However I do have the scorecard if you need proof.

Our monthly shoots during the winter months are on the second Saturday of the month and start at 10AM. Once we start daylight savings time starts the shoots start at 9AM. The more shooters the better so if you haven't been out in a while come out and shoot. It's a blast.

Also attached is our schedule of events for the year. Notice that there will be a Carson City Rendezvous again in June. Not sure of all the details right now. There are some planning meetings coming up that Kyrer will be attending, if you would like to go too, give Kyrer a call.

In our January meeting someone brought up the fact that at one time we had some picture albums of our past events and they have gone missing. So if you have any idea of where they might be please contact any one of the officers. It sure would be nice to get these old albums back.

We also have a new mailing address for the club which is Eagle Valley Muzzle Loaders, 1746 Pullman Dr., Carson City NV. 89701. That also happens to be where we hold our monthly meetings on the first Friday of the month at 7PM. Come on out and find out what's happening with the club. Look forward to seeing you at the March meeting at Kyrer's Cabin.

Lakes Crossing Muzzleloaders annual Spring Fling Rendezvous is March 14, 15 & 16th. If you have not attended a Lakes Crossing shoot, your missing a good time with some great people. Their range is really great and they have a good area for folks who want to camp modern or primitive. So come out and have a good time in the Sierra Valley near Vinton California. Check out their web site www.lakescrossingmuzzleloaders.org/

Something From the Past

Recently the Nevada Appeal in "Past Pages" had this for 30 Years Ago:

Taste the Wild West: Carson City's Rendezvous, planned over the Memorial Day weekend, it is based on a type of historic caper and features Scout Kit Carson. At the mountains men's urging, everyone sang the rendezvous song:

"Goin' down to Carson town as early as the dew,
Off the mountain winter to Kit Carson's Rendezvous.
Gonna drink, and eat and sing,
Laugh and dance and raise some hell at Carson's Rendezvous"

Does anyone in the club remember this?

Well that's all I got fer ya this time - keep yer powder dry n' watch yer back.....
