Years half done

June is already here, with a couple of ronds done. It has been a good year, the ronds have had a fair turn out. I heard tales of the Klondike camp that LXML hosted last month.

Not much to report on the club, the next event coming up is CCR. I added a flier in the mailer for a reminder.

Some Muzzleloading Safety Do's and Don'ts

DO's

Read and understand your instruction manual. If you didn't get one with your muzzleloader, order one from the manufacturer. They will send you one for free.

Many companies now have a web site and online manuals are common.

Wear shatterproof shooting glasses and ear protection, as both percussion and flintlock guns may shower sparks and bits of caps/flints when fired.

Treat a misfire or failure to fire as though the gun can fire at any second. Wait at least a minute with gun pointed at the target.

Be sure all spectators are completely behind you when firing. Flames and bits of caps/flint sometimes exit from the side of the gun. It is good shooting etiquette to warn other shooters that you are about to fire a flint lock next to them.

DO NOT

Never fire a muzzleloader unless the ball is firmly seated against the powder charge. Firing a muzzleloader with the ball off the powder or part way up the barrel may cause serious damage to the firearm and possibly serious injury to the shooter.

Do not exceed manufacturer's recommended maximum powder charge.

Never use FFFFg black powder for a charge in any muzzleloader at any time. The only safe use for fine priming powder is for the priming of a pan on a flint lock. Fine powders will cause excessive pressures and could very well burst your barrel.

Never lean over (or stand in front of) the muzzle at any time.

Never attempt to shoot out a projectile which is not firmly seated against the powder charge.

RENDEZVOUS RAMBLIN'S

LXML's Spring Fling in March 18, 19, 20, was a Klondike Kamp. They got 6 inches of snow on Friday night. The sun came out for a few hours on Saturday, and then Saturday night it snowed 8 inches. I got my teepee setup just before the snow hit on Friday. There were a total of 5 people camping 4 in Primitive, Lips, Ken Sheldon, Wes, and Kryer, one tin teepee Mike Bennett. There were a couple people that came up and shot the whole course on Saturday. Wes and I walked out of camp a bit and shot at targets we could see, until the wind started. We all got back into the teepee just as the snow started. Sunday morning had a couple pots of coffee and some breakfast. We waited for the winds to die down, and the snow to lighten up

before we started to strike camp. It finally did and we threw our belongings into our trucks, and got the hell out of there.

Our Ft Churchill Kamp out, we had 8 kamps. The weather was a bit cool with the breeze, and occasional wind gusts. We had about 8 targets setup. Ray and Jim, built a target, with a wild pig silhouette, you had to hit in the heart area, where there was a piece of steel hanging behind it with a flag on it, that would raise up to show you had a kill, to be scored as hit. Then we had the potluck, it was good, but we need more people out there participating in the camping, shooting, as well as the potluck. Helen Newman came out and took pictures of the shooting, camp and potluck. The pictures are posted on my Face book page if you want to see them, you are able to tag them so they can be on your page too.

To get ready for the Rendezvous, we had 2 work parties scheduled we had to repair 4 targets, and replace signage. We made new signage for the Rifle and Pistol courses. For the Hawk & Knife course he made signs and mounted them to Rebar so we could move them and put them into the ground easier. Our Rendezvous was small 8 camps, 10 signed in shooters. There was a group of Royal Rangers that Steve Moore is involved with. They came up to have a Hawk Competition to earn Merit Badges. Dave McClenahan won all the events. Lips was second place in the Rifle and H&K, Kryer was third in. We had a Modern Trader that was selling knives, throwing hawks and Multi-tools. We had 4 members renew their dues, and Steve Moore joined the club, and one of the families that were with the Rangers is interested in joining. Just a reminder dues, are now due. So please pay your dues so we can continue to pay our insurance bill, and keep our range. Thank You.
